1. Introduction

1.1 Introduction

Lambeth Council (the Council) and the School recognise that their employees are well positioned to know when something wrong is taking place within the Council / School or is a serious cause for concern. They may not express their concerns however, because they feel that speaking up would be disloyal to their colleagues or to the Council / School. They may also fear harassment or victimisation.

1.2 Policy Statement

The Council / School is committed to the highest possible standards of openness, probity, and accountability. In line with that commitment the Council / School encourages its employees and others with serious concerns about any aspect of the Council's work to come forward and voice their concerns.

This Whistleblowing Policy (the Policy) provides a framework for employees to raise concerns, that are in the public interest¹, 'in-house' and without fear of victimisation, subsequent discrimination, or disadvantage.

This Policy aims to:

- encourage staff to feel confident about raising concerns and to question and act on those concerns
- provide a way for staff to raise concerns and receive appropriate feedback on any action taken.
- confirm that all concerns raised will be examined and the Council / School will assess what action should be taken
- reassure staff that they will be protected from reprisals or victimisation for whistleblowing in the public interest in accordance with this procedure; and
- provide ways for staff to take the matter further if dissatisfied with the Council / School's response

2. Application and scope of the Policy

2.1 This Policy applies to all employees and those contractors working for the Council / School. Employees include staff working for the Council / School on a temporary basis, casual or sessional workers and trainees. The Policy also applies to agency workers and suppliers and those providing services under a contract with the Council / School in their own premises.

2.2 This Policy is in addition to and distinct from the Council / School's Complaints Procedure that provides a facility to those not employed by the Council / School (e.g., service users, advocates, family members and members of the public) to raise any concern.

¹ See Employment Rights Act 1996 S43A to 43L Employment Rights Act 1996.

- 2.3 This Policy is not intended to cover concerns that can be progressed under existing Human Resources procedures. There are existing procedures in place to enable employees to lodge a grievance relating to their own employment.
- 2.4 Some Council departments may have separate procedures specifically relating to departmental functions. For example, Education and Social Care have adopted multi-agency child protection procedures in addition to procedures for the protection of vulnerable adults. All acts of whistleblowing can be raised under this Whistleblowing procedure and employees shall have the full protection of this Policy. Where the matter for investigation is covered by separate procedures, however, these will be applied where appropriate.
- 2.5 This Policy is intended to cover serious concerns that may fall outside the scope of other procedures, and include the following:
- A criminal offence has been committed or is likely to be committed;
 - Conduct that endangers the health and safety of any individual
 - Safeguarding of children and young people and vulnerable adults
 - Conduct that involves damage to the environment (e.g., pollution)
 - The unauthorised use of public funds (e.g., expenditure for improper use)
 - Possible bribery, fraud, and corruption in relation to the providing or receiving of Council/School services
 - Failure to comply with a legal obligation.
- 2.6 The above does not represent an exhaustive list of areas covered by this Policy. Any serious concerns that employees may have about any aspect of service provision or the conduct of officers or Members of the Council or others acting on behalf of the Council / School can be reported under this Procedure.

3. Safeguards against harassment or victimisation.

- 3.1 The Council / School is committed to good practice and high standards and wants to be supportive of all its employees.
- 3.2 Whistle-blowers raising matters of serious concern internally are protected from harassment, victimisation, disciplinary action or dismissal or any other disadvantage at work because of raising the concern (even if their disclosure or any wrongdoing or malpractice is not substantiated after investigation), provided they raise/disclose issues in the reasonable belief that they are doing so in the public interest.
- 3.3 A person would not be protected from disciplinary action if, for example, they raised a concern they knew to be false or malicious.
- 3.4 The Council / School will not tolerate harassment or victimisation and will act as is necessary to protect employees when they raise concerns in the public interest under this Policy.

4. How to Raise Your Concerns.

5. How Will the Council/School Respond?

5.1 The Council / School's response will depend on the nature of the concern that has been raised. In all instances the Council / School will:

- 5.1.1 record and acknowledge your concern and refer the matter for investigation within three working days of receiving the referral
- 5.1.2 respect your confidentiality; your identity will not usually be disclosed to anyone without your consent. If it is necessary for anyone investigating to know your identity we will discuss this with you.
- 5.1.3 assess your concerns to determine further action
- 5.1.4 let you know that enquiries have been made
- 5.1.5 tell you whether further investigations will be made and if not, why; and
- 5.1.6 inform you of the outcome of the inquiry

- 5.2 Depending on the nature of the issue raised, the Council / School may:
- 5.2.1 request more information or evidence from you
 - 5.2.2 investigate through an investigation or audit
 - 5.2.3 undertake disciplinary action
 - 5.2.4 launch an independent enquiry; or
 - 5.2.5 refer the matter to the police

6. Anonymous Allegations

- 6.1 Allegations made anonymously cannot be subject to the protections afforded by this Procedure as the protections are specifically designed to protect those persons, who fall within the scope of this Policy, making allegations.
- 6.2 Anonymous allegations will, however, be considered by the Council / School if it decides to exercise its discretion.
- 6.3 In exercising this discretion, the Council / School will take account of all relevant factors which will include:
- 6.3.1 the seriousness of the issues raised
 - 6.3.2 the credibility of the concern; and
 - 6.3.3 the likelihood of confirming the allegation from other attributable sources

7. Rights and Responsibilities of Employees

- 7.1 All employees are required to report any issue of concern regarding the provision of services or management of those services as soon as they arise to avoid any unnecessary delay. In most cases, this will be done through the usual line management arrangements.
- 7.2 To gain protection under this Procedure, the employee must reasonably believe that the disclosure is made in the public interest. Employees are not otherwise required to 'prove' the truth of any allegation. Whistle-blowers will, however, need to demonstrate that there are reasonable grounds for the concern, and will be expected to co-operate with any investigation that takes place.
- 7.3 When any meeting or interview is arranged, employees may, if they so wish, be accompanied by a trade union official or a workplace colleague.

8. Can I take the matter further if I am not satisfied?

- 8.1 This Procedure is intended to provide employees with an avenue to raise concerns within the Council / School. The Law recognises that in some circumstances it may be appropriate for you to report your concerns to an external body such as a regulator. Employees are strongly encouraged to seek advice before reporting a concern to anyone external.
- 8.2 If employees feel it is right to take the matter outside the Council / School, the following may be appropriate:
- 8.2.1 the National Audit Office's Public Interest Disclosure Line: 020 7798 7999
 - 8.2.2 the independent charity Protect: 020 3117 2520; whistle@protect-advice.org.uk

- 8.2.3 Local Councillor
- 8.2.4 a recognised trade union
- 8.2.5 the Whistleblowing Helpline for NHS and Social Care on 08000 724725
- 8.2.6 the Care Quality Commission on 03000 616161; enquiries@cqc.org.uk

8.3 If taking a concern outside the Council / School, employees should not disclose any confidential information unless they are doing so in accordance with the Whistleblowing Policy.

8.4 In circumstances where an employee decides to raise the matter externally, he/she will only be protected under this Policy, and under employment law, where the disclosure is made in accordance with Section 43A to L of the Employment Rights Act.. This means that the disclosure must fall under one of the categories listed in Section 43B and must be made in one of the following ways:

8.4.1 While obtaining legal advice

8.4.2 To a prescribed regulatory body provided the disclosure is made in the reasonable belief that it is in the public interest and the employee reasonably believes the prescribed body is responsible for the matter of concern and that the information and allegation/s are substantially true.

See <http://www.legislation.gov.uk/ukxi/2014/2418/schedule/made>

8.4.3 To other third parties (including the media) where the employee makes the disclosure:

- In the reasonable belief that it is in the public interest and that the information and allegations are substantially true, and
- Does not make the disclosure for personal gain, and
- Has already raised the matter with the Council / School or prescribed regulator, unless the employee reasonably believes that he/she will suffer a detriment, or there is no prescribed regulator and he/she reasonably believes that evidence will be concealed or destroyed if he/she makes the initial disclosure to the Council / School, and
- In all the circumstances it is reasonable to make the disclosure.
- The disclosure is of an exceptionally serious nature and the Whistle-blower makes the disclosure:
 - In the reasonable belief that it is in the public interest and, that the information and allegations are substantially true, and
 - Does not make the disclosure for personal gain, and
 - In all the circumstances it is reasonable to make the disclosure.

8.5 When considering whether it is reasonable for the worker to make the disclosure, regard will be had particularly to the identity of the person to whom the disclosure is made.

9. Responsible Officer

9.1 The Counter Fraud Manager is responsible for the supervision and co-ordination of all counter fraud matters, including the maintenance and operation of this Procedure. This policy may be amended by agreement with the relevant trade unions at any time.
