24th February 2021

Dear Families,

As you will all now be aware, following the Prime Minister's briefing on Monday evening, all schools will reopen from the Monday 8th March 2021. We are absolutely delighted that we will be able to welcome back all students and have now begun to plan for the safe return of our school community. As I am sure you can appreciate, there is a significant amount of work that needs to be completed in preparation for this and I will write to you with further details outlining our plans at the end of this week. An essential part of the wider reopening plan will be coordinating asymptomatic testing and I would like to once again strongly urge that all parents complete the consent form which can be found [here](#).

As mentioned in previous communications, thank you to all those parents/carers that have taken the time to complete the form and in particular to the large number of you that offered to support us with the mass testing. We will be contacting you shortly if your support is needed.

Parent Survey

Before the half-term break I shared a parental survey with you all. Thank you to all those parents that have responded and can I once again ask that you take a few minutes to complete the questionnaire [here](#). As always your feedback is so important to us and will help us improve as a school.

I will write again at the end of the week with more details of plans for a wider re-opening.

Yours faithfully,

Mr M Schofield

Headteacher
