Maritime Studies	Open Awards	<a href="https://openawards.org.uk/what-we-offer/qualification-search/qualification-detail/?id=127089">https://openawards.org.uk/what-we-offer/qualification-search/qualification-detail/?id=127089</a> Note this course is assessed via all of the assignments set on google classroom. There may be the occasional internal assessment. Parents and students will be given lots of notice of these, as they help the external verifier, when it comes to demonstrating knowledge gained, particularly where an assignment submitted shows weaknesses. A good internal test result clearly demonstrates knowledge gained.

Maritime Studies	Open Awards	<p><a href="https://openawards.org.uk/what-we-offer/qualification-search/qualification-detail/?id=127078">https://openawards.org.uk/what-we-offer/qualification-search/qualification-detail/?id=127078</a></p> <p>This course is entirely assessed via assignments set on google classroom. Open Awards does allow credit for prior learning via RYA competency certificates - however these must first be uploaded to google classroom. There will however be gaps between the RYA certificate and the unit content, for which evidence via the assignments will still need to be created. For example RYA Dinghy instructor covers a large part but not all of taking responsibility for a vessel (sail) likewise RYA Day Skipper covers a large part, but not all of the navigation unit.</p>
