### **Virtual Academic Review Day - 4<sup>th</sup> December 2020**

Dear Parent/Carers,

Given the current challenging circumstances in which we find ourselves and the increased value in maintaining communication with the students and families we serve we have decided to hold a Virtual Academic Review Day on Friday 4<sup>th</sup> December 2020. This will take the place of this term's scheduled programme of Parents' Evenings.

Unlike previous such Academic Review Days, parents/carers will not be asked to come into the school but instead will be provided with an opportunity to have a conversation with their child's Tutor, Head of Year or member of the Senior Team either on the telephone or online. The day will provide parents/carers with an opportunity to discuss their son or daughter's progress and talk through any specific challenges that they may be facing at this time. Details as to selecting a time for the conversation to take place will be provided in due course. **Please note - students will not be in school on the 4<sup>th</sup> December but will instead undertake a remote learning day with work being provided on Google Classroom.**

In addition, please note that 27<sup>th</sup> November 2020, which was listed in error on some documentation as an Inset day, is a normal school day and students are expected to attend.

Kind regards,

Mr Foley

Deputy Headteacher
