My Favourite Manga Character

Ettore writes:

Eren Jaeger is the main protagonist of Attack on Titan. He has the power of 9 titans. He joins the Training Corps and later the Survey Corps where he discovers that he has the power to kill other titans. He is my favourite character because he starts from a boy who wants to see the outside world and be free and slowly develops into a person who will do anything for his people's freedom by destroying their enemies. Also, Eren is willing to do whatever it takes to get what he wants including killing.

Bookbuzz books are a great way to start year 7s on their reading journey at LNS. Every student is given the opportunity to select one book from a

set of 17 titles which they can keep for free. **Little Badman** was the most popular book with a total of 22 requests. Other popular requests for titles were as follows:

Miguel year 7

The Haven = 13

Crater Lake = 10

A Darkness of Dragons = 8

Talking to Alaska = 8

Miguel says: "I chose **Little Badman** because of the title, there are pictures inside and they look funny. I am also hoping that I can get to know more English words by reading this book."

Ayub says:

"I am really glad that I could choose my own book to keep. There were a lot to choose from, it was difficult, because they all looked good. I decided to pick **A Darkness of Dragons**, because I like fantasy and adventure books and the fact that it's magical."

There are a number of books which have been written with a plague/pandemic at the centre of the story (futuristic and historical). The books above, which all share the same title, can be borrowed from the library. Why not read one and see if there are similarities to how the world is dealing with the current Covid-19 pandemic...

Booktalk!

The library gets many requests for books which are part of a series. Quite a few of our students love to read stories that go on and on! Jayden (year 8) wanted to say something about the Divergent Trilogy - he thinks that the books are easy to get into and will make any reader a lifelong fan of the characters.

The Divergent Trilogy by Veronica Roth

My favourite character is Tobias, due to his passion for what he believes in and the causes that he is willing to die for. He shows this in all three books.

I like his personality in the books. He puts others before himself and this is a good trait to have.

By Jayden year 8

Below is a list of the most popular book series borrowed by LNS students

- Harry Potter Series by J.K. Rowling
- The Hunger Games Trilogy by Suzanne Collins
- The Northern Lights Trilogy by Philip Pullman
- The Chaos Walking Trilogy by Patrick Ness
- The Diary of a Wimpy Kid by Jeff Kinney
- The Stormbreaker Series by Anthony Horowitz
- The Percy Jackson Series by Rick Riordan

Library News

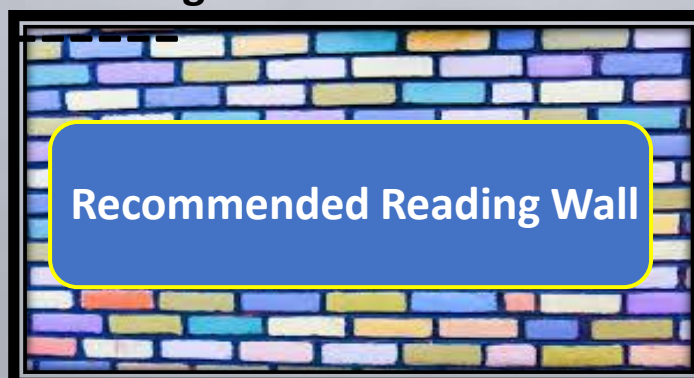

LNS Library wins a **free** copy of Marcus Rashford's new book!

Mrs. Suter (librarian) was invited by organisers of the National Literacy Trust, to write a few words to say why she felt that Marcus Rashford's book would be a suitable addition to the library's collection. She was notified about her win at the end of May.

The school has also won an e-ticket which grants the library free streaming rights to an interview about Marcus' life. The interview also includes a discussion with young people about books and reading. It is hoped that the film will be shown to LNS students during PSHE sessions.

A message to staff and students!!

There's still room for recommendations to be added. If you have read a book, either in the past or fairly recently, which has made an unforgettable impact on you please send the details to:
