Year 10 and 12 Work Experience

Dear Parent(s)/Guardian(s)/Carer(s),

Work experience is an important part of becoming 'workplace-ready'. This is an opportunity to build useful skills and gain valuable experience that cannot be obtained in the classroom.

Work experience can empower new talent, encourage, inspire, and influence a different mindset, especially as your son/daughter is approaching the next stage of their education or looking for an apprenticeship or employment.

Year 10 and 12 will be expected to gain a work experience placement this year. The date for Work Experience is from Monday 15th July - Wednesday 24th July 2024.

It is the responsibility of each parent/student to research, contact and arrange their own work experience in line with their career related interest. **The deadline for all students to secure work experience is Thursday 28th March, prior to the Easter Holidays. This is so that we can ensure all documentation (Risk Assessments and Public Liability Insurance Certificates) are in place for your child to complete their placement.**

Pupils can use Unifrog to research Work Experience opportunities as well as asking family members or friends of family.

Please complete this [Work Experience Form](#) So that we, as a school, can conduct the necessary background checks on the Employer/Organisation.

Thank you for your support in advance.

Yours sincerely,

Mr J Goldsmith
Director of 6th Form
