Employer Contact Form for Careers Presentations

At London Nautical, we endeavour to provide our students with some of the most insightful experiences into the world of Careers. We are always on the lookout for successful and inspiration leaders and professionals to deliver a careers presentation to our students.

A key part of the development of our students is in the fostering of aspiration and creating an awareness of the potential opportunities for their future success.

If you think you can deliver a talk on your individual career experiences that will energise and enthuse our students please complete the Google Employer Contact form as below.

Alternatively, if you are an Employer and would be happy to offer a Work Experience placement to a London Nautical student, please fill in your details using the same form.
