

Key Stage 5 Outcomes 2021-2022

Please note, due to the use of Teacher and Centre Assessed Grades during 2019-20 and 2020-21, the most recent available validated outcomes are from 2018-19. The information relating to 2021-22 published here is provisional and will be subject to validation in the coming months. In addition, the DfE has stated that Level 3 Value Add measures will not be published for 2021-22
