17<sup>th</sup> September 2021

Dear Parents / Guardians,

### **Year 7 & Year 8 Splash Days**

We have now been able to confirm our dates for the Splash days for year 7 and 8.

The first of these Splash days is for **year 7 on Friday 24<sup>th</sup> September 2021.** The first splash day for **year 8 is on Monday 27<sup>th</sup> September.** During this day your son will take part in some paddling and sailing activities led by the staff at the docks. Students should arrive at school at the normal time and go to period 1 lessons. They will get a coach to the docks at the end of period 1 at 9:30am and will return via coach **at 4pm.** Students should arrive in full school uniform as they will be in their first lesson.

**Once they arrive at the docks they will be able to change into old clothes and shoes as there is a chance of getting wet. Please also ensure that your son has a towel with him as well. Students can then change into their school uniform to return to school.**

For each day we ask that you ensure your son has a packed lunch as there are no facilities to buy a packed lunch. If your child is entitled to Free School Meal we will ensure they have a packed lunch to take with them. Please find attached also some information from the docks with some guidance for what to wear and bring on the day.

A member of our PE staff will accompany the students and will remain with them throughout the day. If your son receives support in school an LSA will also be accompanying your child. There is no requirement for your son to be able to swim, however they should be okay with going into the water.

If you have any questions or queries please do not hesitate to contact me on the email address below.

Kind regards,

Miss Claire James

Deputy Headteacher
