Examination Results 2022

Further Success for London Nautical Students.

After the excellent Key Stage 5 results of last week - which saw sixth formers gain the qualifications needed for them to enter the worlds of Higher Education work and high-level sport, there was even more to celebrate for London Nautical students with the publication of the GCSE and Level 2 Vocational grades.

With students across Year 11 deservedly achieving strong results they are well placed to take the next steps in their educational journeys, whether continuing at LNS on one of unique Academic, Nautical or Sporting pathways, taking on the challenge of studying elsewhere or undertaking an apprenticeship. The whole of the London Nautical community is extremely proud of not just their successes but also the hard work and resilience they have shown during the most challenging of times.

Congratulations to all of our Year 13 and 11 students and to those Year 12 and 10 students who have received AS and Btec Unit results.

Everyone at the LNS is proud of what you have achieved and looks forward to seeing you achieving even greater success in the coming years.
