HEAD COACH

## THE ACADEMY

The Academy gives aspiring young players' the opportunity to combine their academic studies with a first class football programme.

The coaching is delivered under the leadership of Volenti Academy's highly respected ex-professional players Bobby Bowry and Charlie MacDonald. Each training session is designed to improve players all round game and offers a true insight into the professional football environment.

Our teams play under the Crystal Palace FC banner and compete in the top league of the National Football Youth League (NFYL). Through our club partnerships we offer players a pathway into professional football and the opportunity to compete in the prestigious FA Youth Cup.

PROFESSIONAL  
APPEARANCES

## Bobby Bowry

Bobby had a highly successful professional playing career lasting over 15 years and the majority of his 400 senior appearances were for Crystal Palace, Millwall and Colchester. He is our Head Coach and one of the founding directors of the Academy. Highly respected as a coach and with an outstanding record of developing and promoting young players, Bobby's passion and commitment have helped us become one of the most prominent independent academies in the country. Bobby also has an important role as a player mentor with a leading football agency and, with contacts throughout the game, he is ideally positioned to provide advice and support on a wide range of on and off the field issues.

London Nautical is a Sport Specialist College that has a long and proud history of educating professional sport players. Former pupils include Arsenal player Reiss Nelson and Chelsea Goalkeeper Marcus Bettinelli.

The LNS Academy is designed in such a way that players have a full choice of A-level and BTEC qualifications.

# HOW IT WORKS

FOOTBALL &  
EDUCATION

Players join the Academy in year 12 and embark on a **two year full time football** and education programme

The training schedule gives players **6-8 hours of elite level training per week**. League, Cup or friendly showcase matches are scheduled during the day on either a Wednesday or Friday

Players are given a **first class education** from specialist Sport College, the London Nautical School. A full range of A-level and BTEC subjects are available for students to choose from

After two years with the Academy, **we help players follow a pathway** to UK universities, US colleges, employment or professional football

# LONDON NAUTICAL SCHOOL

## FOOTBALL & EDUCATION

Just 5 minutes' walk from Waterloo and Blackfriars stations, the School offers a fantastic learning environment for students to study. Students will have access to computers and online learning resources.

# COLDHARBOUR LEISURE CENTRE

The Academy has exclusive use of Coldharbour Leisure Centre. The centre is used for training, matches and some education classes.

## KWAME POKU

**First team player at Peterborough United**

Kwame Poku joined our football and education programme at 16, pursuing a BTEC in Sport while representing our A squad in the National Football Youth League (NFYL). In his second year, after trials with several professional clubs, he signed a professional contract with Colchester United, breaking into their first team. He was later transferred to Peterborough United, where he has emerged as a rising star in English football. Notably, Kwame was named EFL League One Player of the Month for both September and October 2024, highlighting his exceptional performances this season.

## DYLAN BAKER

**Student Athlete at Carleton College USA**

Dylan enrolled in our programme to study three A-levels alongside his football training. His unwavering commitment to both academics and athletics earned him a football scholarship to study Business and Entrepreneurship at Carleton College in the USA, where he also plays for the college team. Dylan is thriving in this environment, balancing his studies with his passion for football, and embracing the unique lifestyle that comes with studying abroad.

## HORALINO PEREIRA

**A first-class honors degree in Biomedical Science**

Horalino Pereira, a talented left-back, joined our academy while pursuing A-levels in Physical Education, Biology, and Business Studies. His dedication to improving his fitness and overall game led to his progression through our teams, culminating in significant contributions to the A squad's victory in securing back to back the NFYL Southern Premier titles. After graduating from LNS, Horalino embarked on a three year degree at the University of Roehampton, achieving a first-class honours degree in Biomedical Science.
